

Travel to Visitor Attractions: the Reduction of CO2 Workshop

A quick reminder that it's not too late to book a place on our next workshop on the 23rd March 2010. The workshop will explore ways in which visitor attractions and countryside attractions can reduce the carbon footprint of their visitors. For more details click the link

Walking Trails in the Hamble Valley

The Hamble Valley and Eastleigh Heritage Guides 2010 walks programme can now be viewed at hamblevalley.com/walking.htm

Rea Valley cycle and walking leisure path

Professors Les Lumsdon and Dr Richard Weston from the Institute of Transport and Tourism have been commissioned to prepare a feasibility report on the vision of turning a dis-used railway line (the old Minsterley branch line) into the Rea Valley Leisure Path. This work has been commissioned by the Rea Valley Environmental Network.
